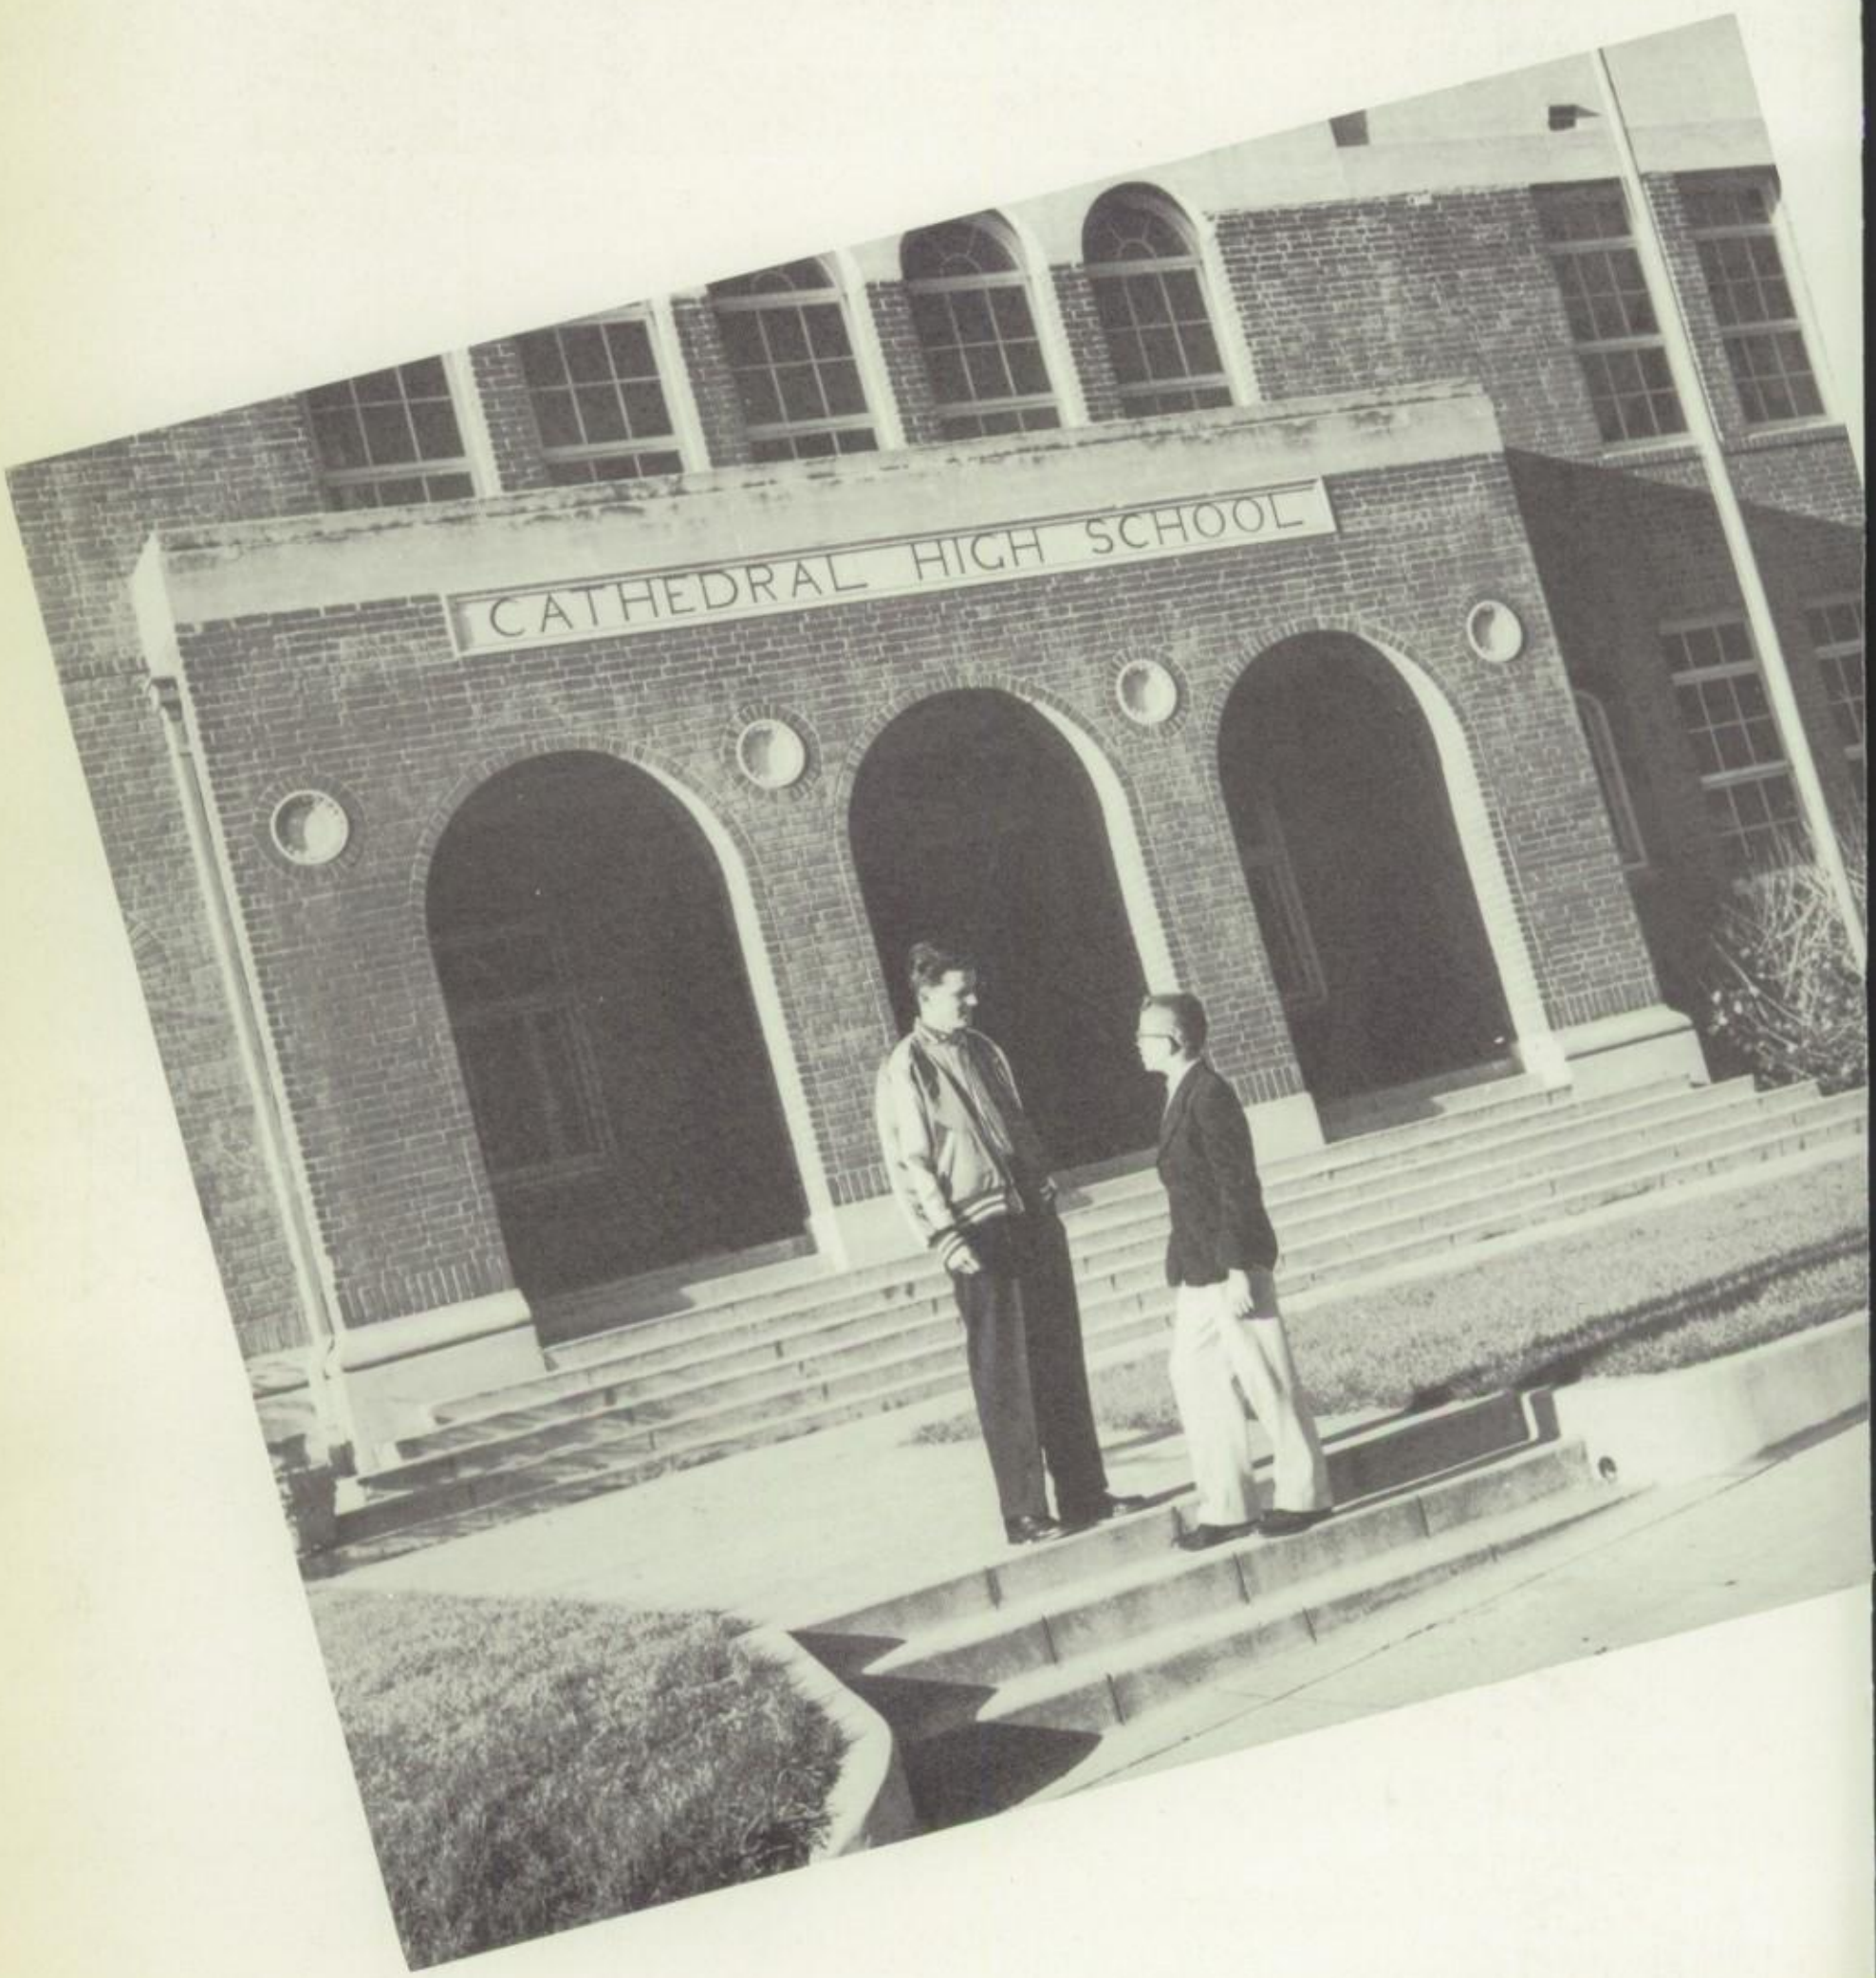
THE ASSOCIATED STUDENTS OF CATHEDRAL HIGH SCHOOL
LOS ANGELES, CALIFORNIA

"... You're Cathe

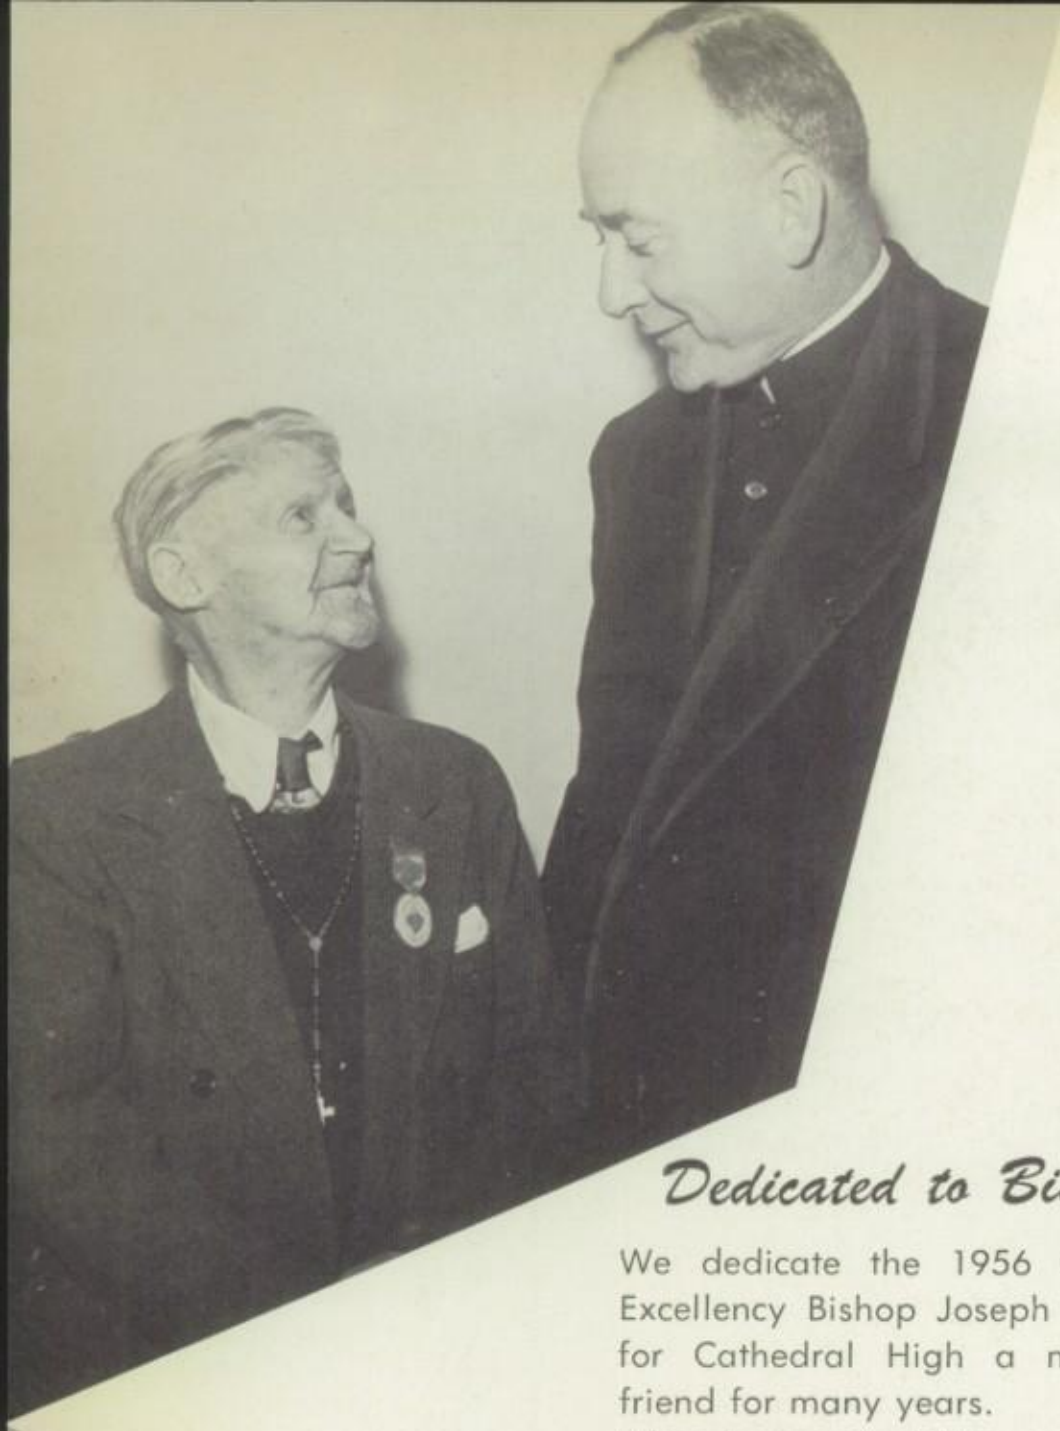


dral, Now.''

Our theme depicts the Freshman being introduced to the Cathedral spirit. "You're Cathedral now," he's told. He must search, discover and develop slowly but surely until he possesses that one common element that makes for the Cathedral student.

Inherent in each Freshman are the qualities which, though dormant, will emerge through the process called Cathedral —the Senior.

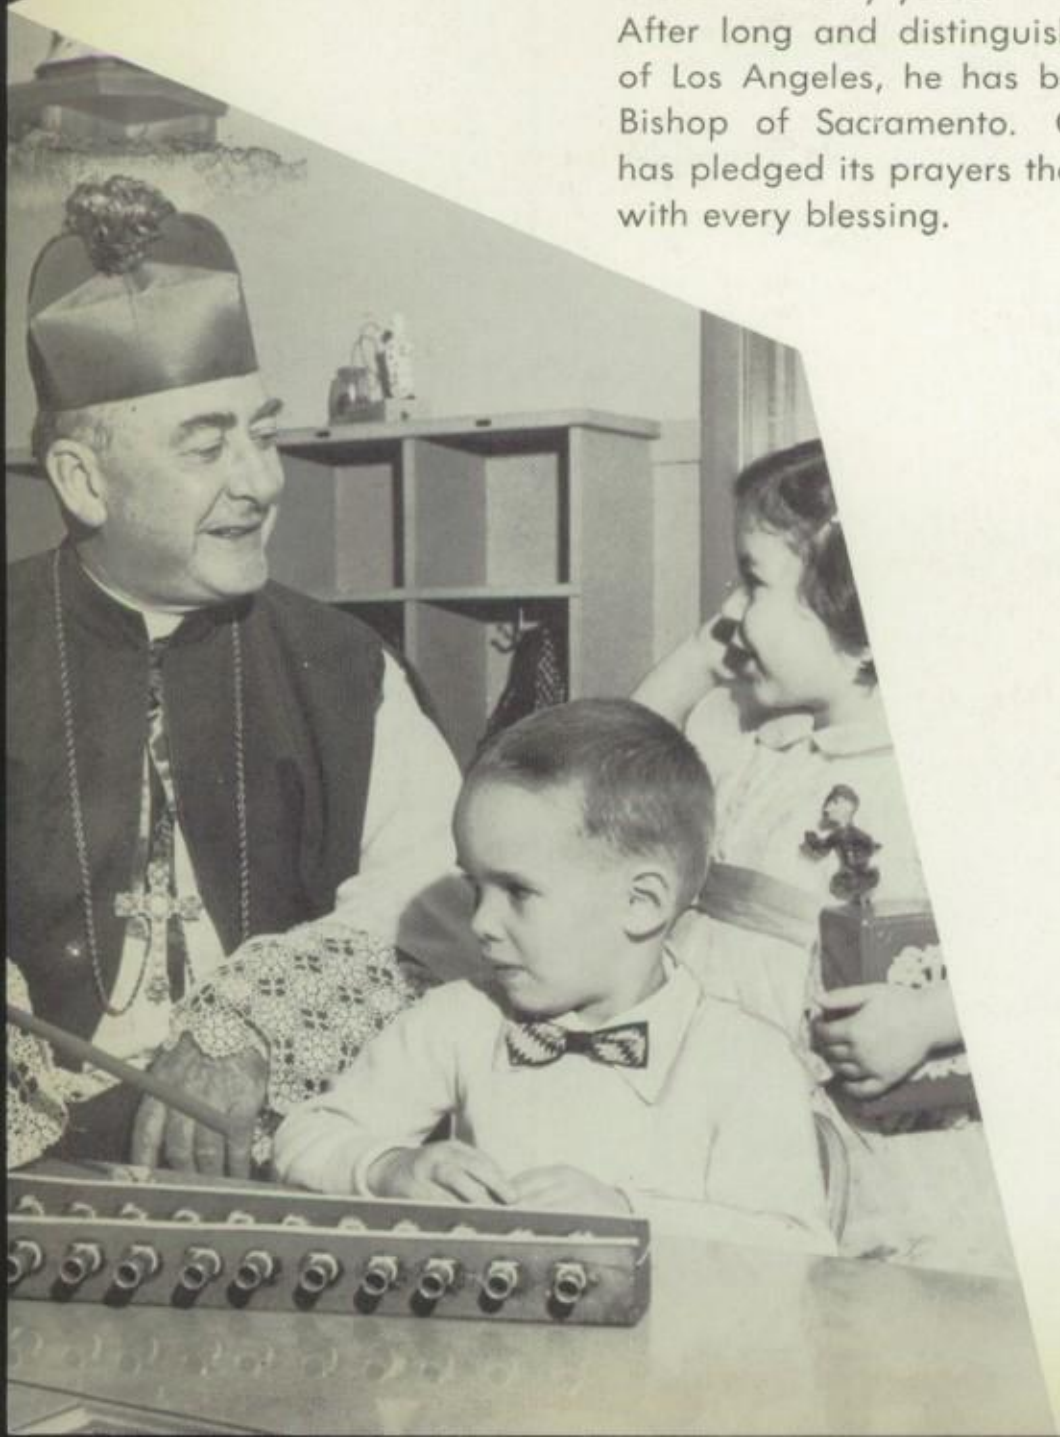
On each division page will be found the typical Freshman showing him experiencing some new phase of Cathedral life. A Senior is there likewise pictured, the example, as it were, of what the Freshman will become.



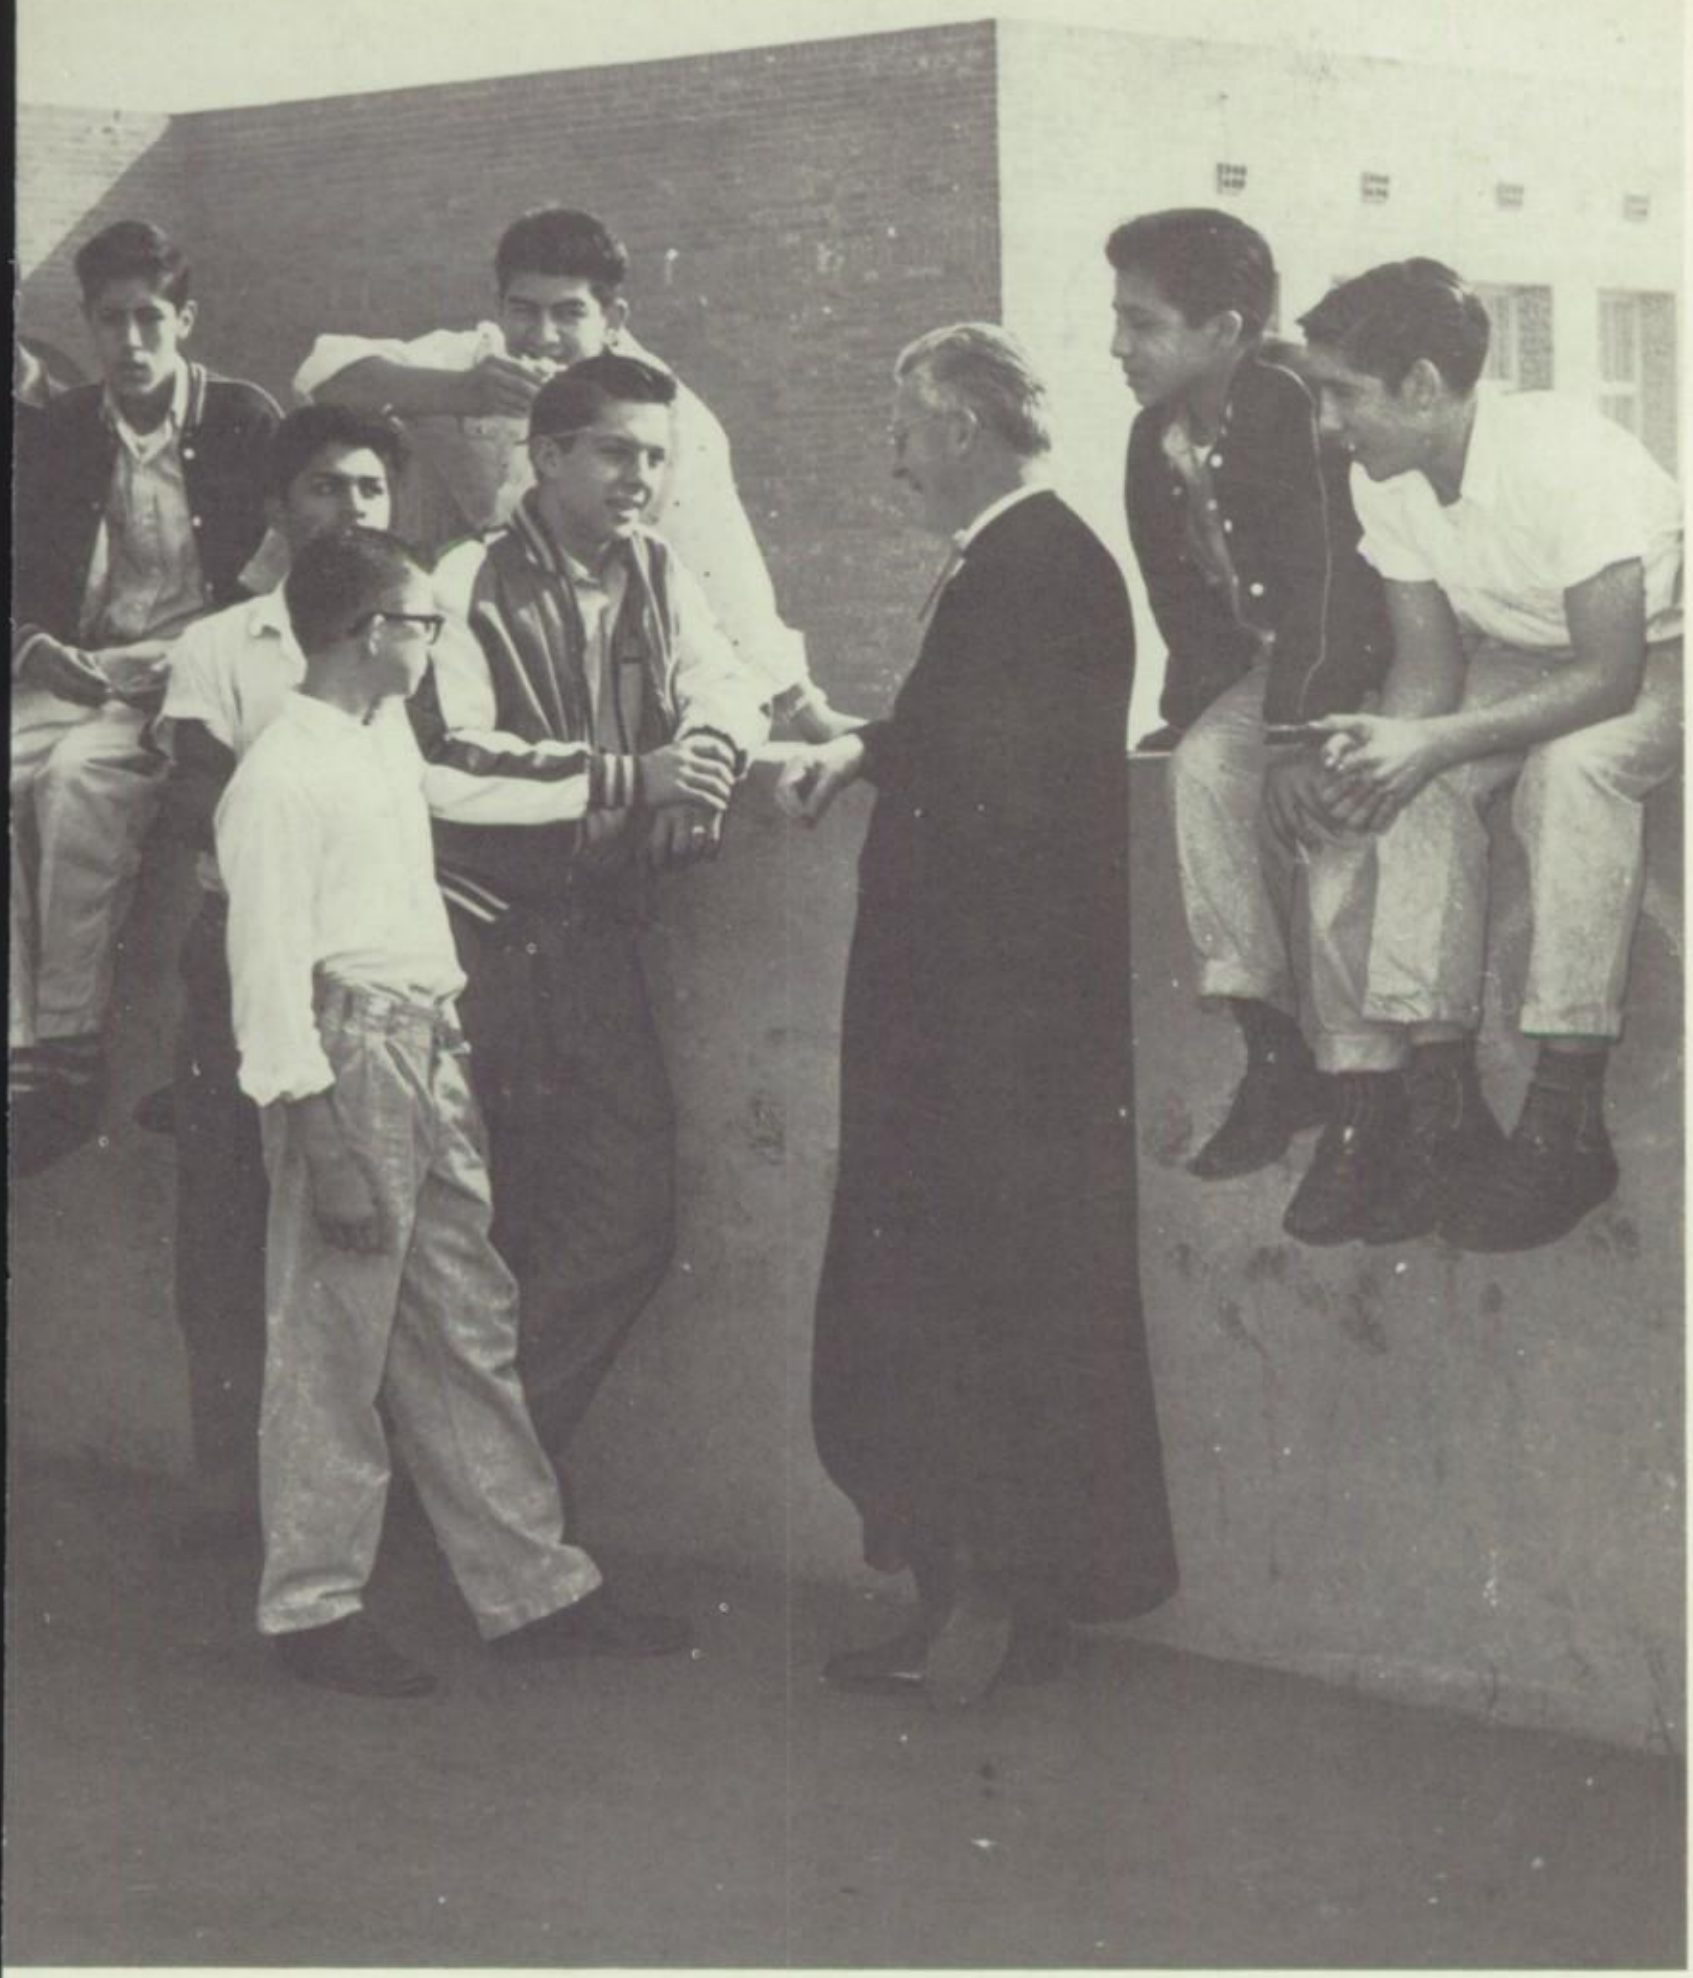
Dedicated to Bishop Mc Gucken

We dedicate the 1956 Chimes Yearbook to His Excellency Bishop Joseph McGucken who has been for Cathedral High a most devoted guide and friend for many years.

After long and distinguished service to the people of Los Angeles, he has been appointed Co-Adjutor Bishop of Sacramento. Cathedral's Student Body has pledged its prayers that his new work may meet with every blessing.

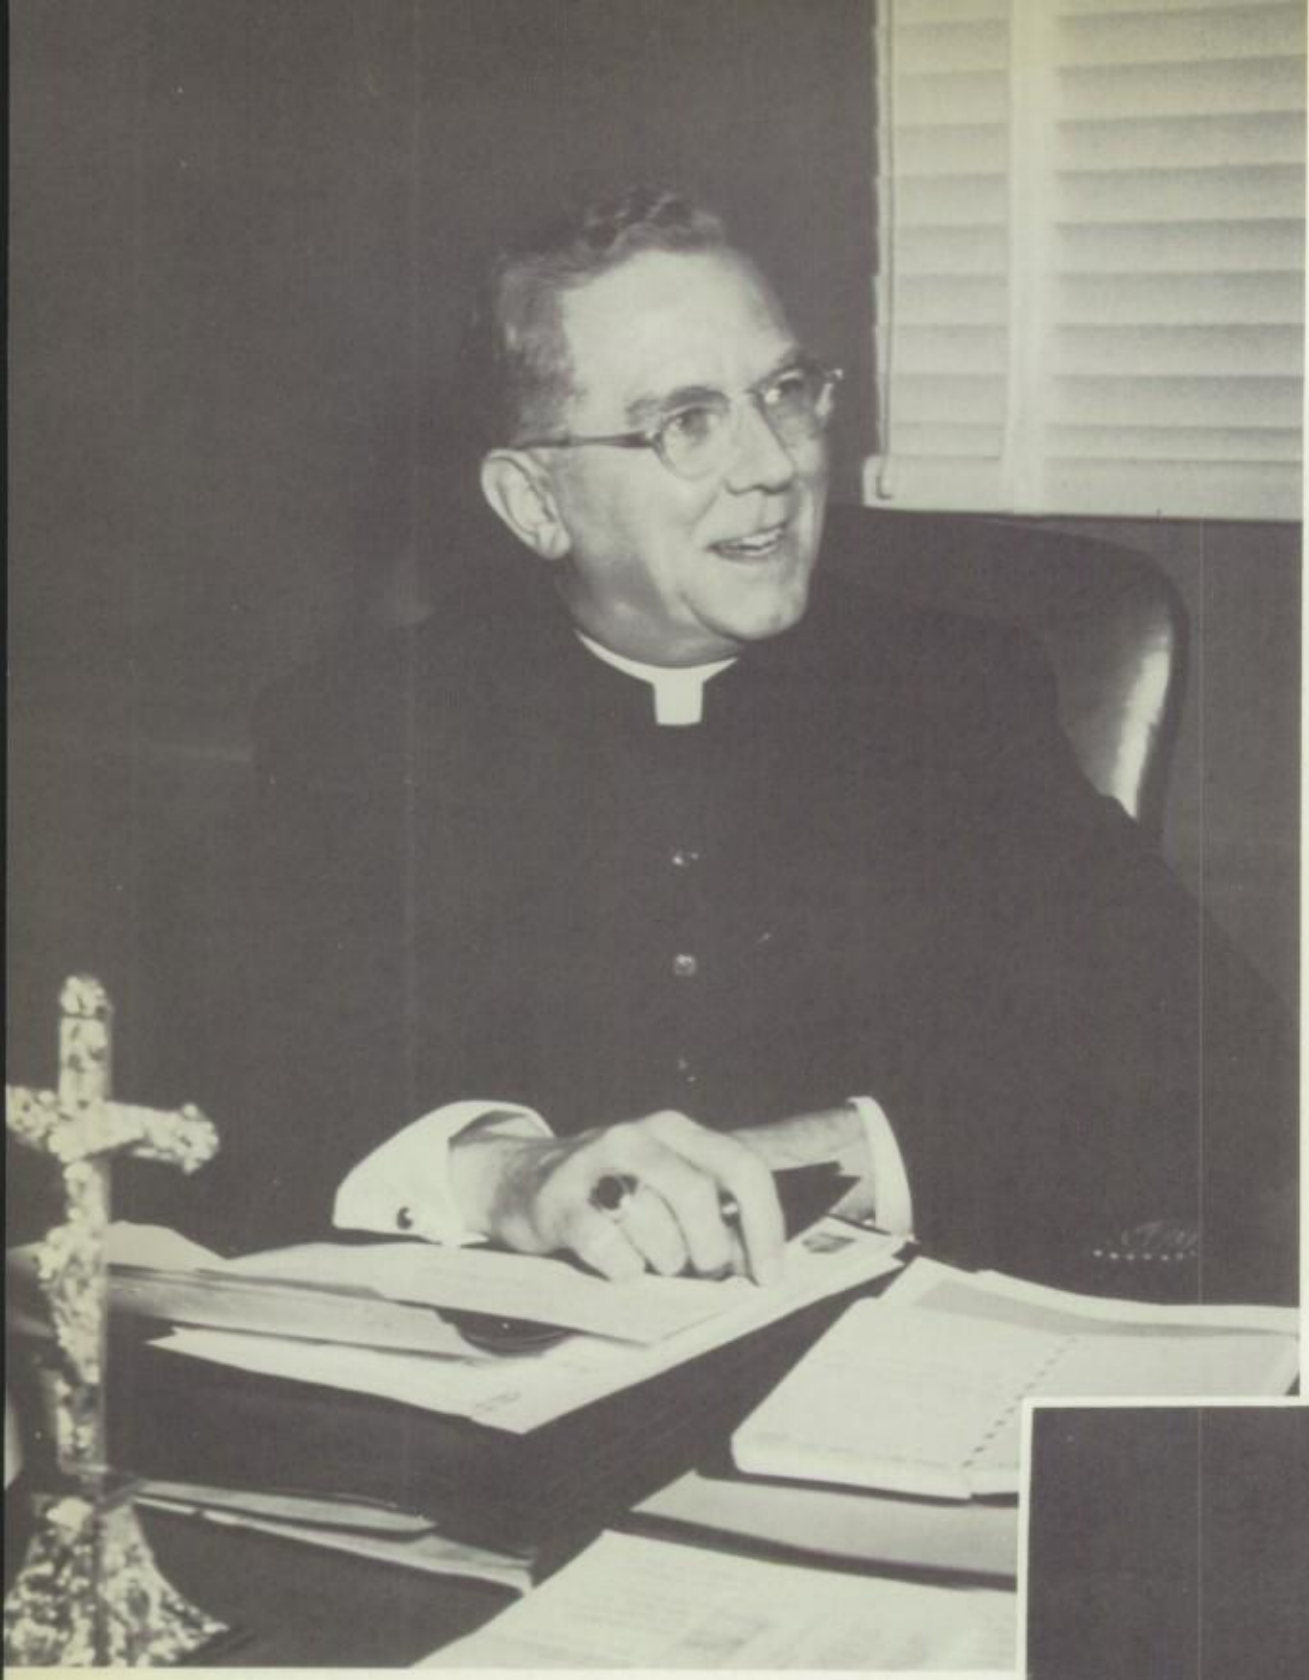


ADMINISTRATION



FROSH MEETS FACULTY

"This conversation sounds interesting,
Wish I could get into it."



To the Students...

High School Graduation rolls around yearly, but to the student graduate it is an epoch marking event in life of great importance. Not merely as a matter of certification or of record performed, but particularly in the instance of Cathedral High School does it beget the reception of a cultural and religious training that is necessary for the development of character and efficiency which mark the true citizen of the City of God.

James Francis Card McIntyre

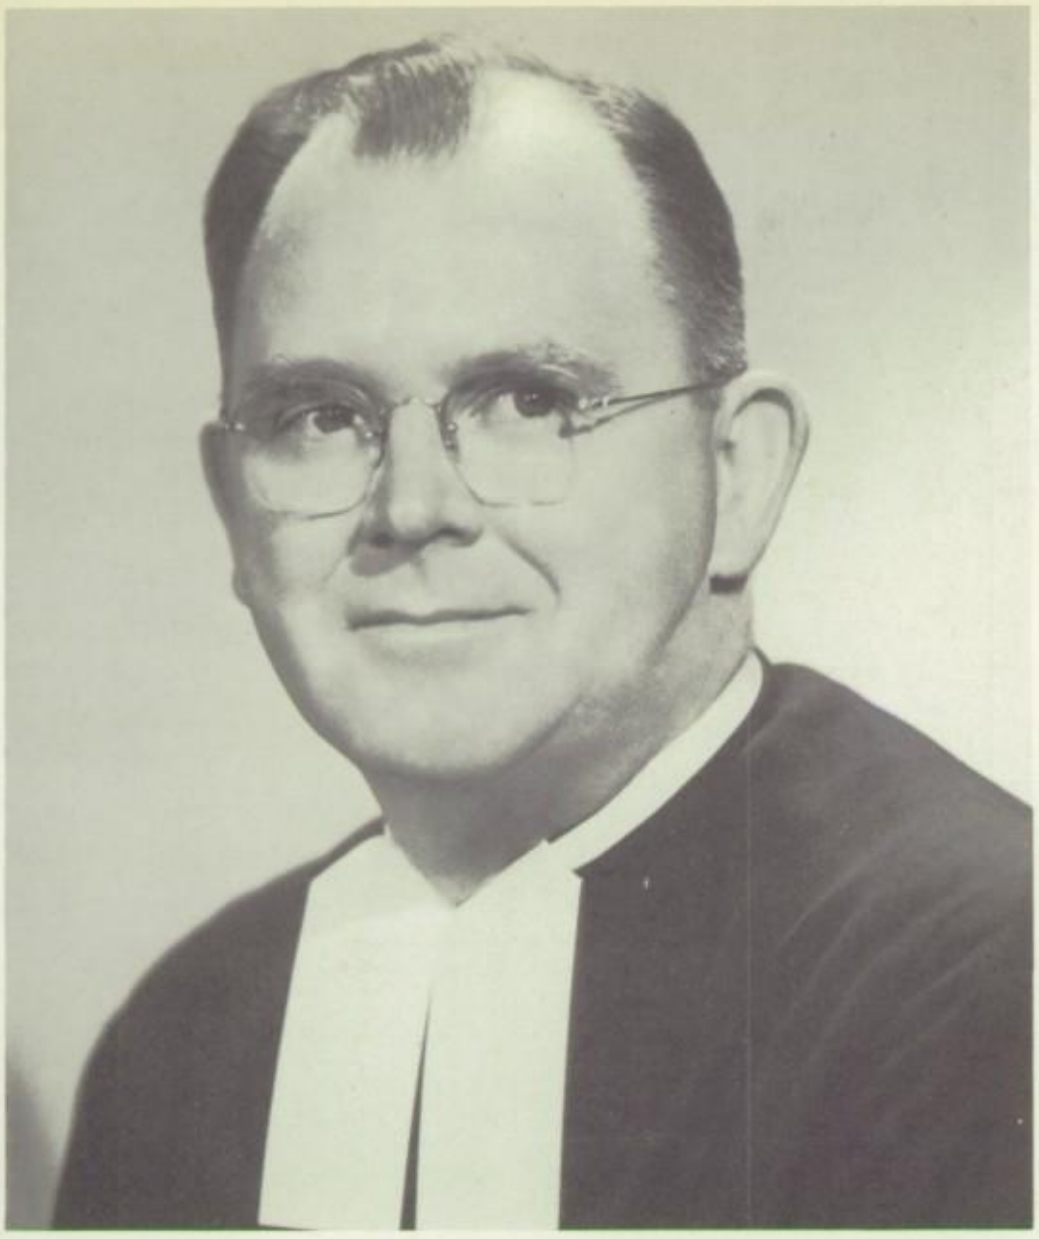
Archbishop of Los Angeles.

To the Students...

One of the great privileges accorded to the rising generation of Catholics is to have been ushered into adult life in the reign of the great Pontiff, Our Most Holy Father, Pope Pius XII. He stands at the summit of our times with outstretched hands bringing down the blessings of God upon the world, and opening wide the horizons of holiness for our youths. The Anima Christi is a prayer made meaningful by him for all who strive for holiness. We commend it as a shield of battle to the young men of Cathedral High School. May they consecrate themselves in their entirety, body and soul, irrevocably to the service of Almighty God. May they be found ready against the moment when He shall call them to come to Him to the place where with the saints and angels they may praise Him for all eternity.

Timothy Manning

Auxiliary Bishop of Los Angeles
Vicar General Chancellor



To the Graduates...

A new phase of your lives is about to commence. For some of you it will be but a transition period from High School to College; for others it will bring new responsibilities of earning a livelihood in some trade or occupation; for still others it will consume a period of service in the armed forces. Your paths will separate to find new experiences, new friends, new environment, all of which will tend to influence attitudes, judgments, and decisions. However, you have been well instructed in a philosophy of life that should help you to remain firm in your convictions despite the disturbing, confusing elements in environmental changes. May your education in the Catholic religion be your support and your security, so that you become unshaken and undisturbed no matter what the future may bring. God bless you and may you ever be aware of His presence wherever you may be.

Brother Beitran

Principal

To the Graduates...

Splinters of shadow now mark the cobblestones of life's teenway over which the class of '56 trudged to come upon the highway of attainment. Hardly time to do it all—the marvel of hearts and minds raising an edifice of faith for the morrow of opportunities and careers yet sealed in destiny. The magnitude of this feat is past our sight. We watched.

Your days were not long enough and your nights too few for arranging, selecting, discarding, deciding your joy of living. In the memories of Cathedral—classes, prayerful moments, clubs, games, picnics—all the days of blessings that surrounded you, feel the throb of living might and carry on to a glorious finish in service to God and fellow men.

When the members of the Student Body elect their officers, they must be rather particular about whom they choose since those elected will be their official representatives and will act as the leaders and coordinators of various student functions. The 1955-56 officers have well merited the honors accorded them in May of 1955 because of their active hand in efficiently seeing through such important Cathedral activities as the Queen's Pageant, the governing of the rallies, directing of the Student Council and general assemblies. They have made their personal initiative especially felt by actively participating in many school organizations and activities.

ACTIVITIES

FROSH AT FIRST DANCE

"Gee, those Seniors sure know how."

Our

Seniors led communion at weekly Student Body Mass.

Daily Rosary is said by all students.

Communion Crusade: Each class has a week for its members to attend Mass and Communion daily.

"God is present. God loves me. God owns me." Throughout one's High School career this little reminder-prayer is emphasized. Tersely it covers the idea of the Faith. If put to use in living, it produces the confident, able, Christian man. Cathedralites, you can bet, do make use of this prayer. Throughout the school is the evidence. Student organizations have strived to keep God before the minds of the student body. This year the Cross erected by the Seniors on the Senior

building is a visual proof of this. The newly formed Marian Society is a further indication. Frequent periods for prayer throughout the day keep one in the presence of God. In addition, daily Rosary, weekly Student Body Mass and confession, Communion Crusade, annual retreat, the opportunity of daily Mass are all means of deepening this spirit. At Cathedral we have a prayer that summarizes this religious attitude: "Live Jesus in our hearts. Forever!"

Frosh Week

In order to mold the Freshmen into a unified group and make them active in Cathedral's Spirit, Frosh Week is conducted by the Block Cee which organizes various competitions for the Freshmen and Sophomores at the beginning of the year. The Freshmen won with a total of 391 points in basketball (tie), passing, kicking, and talent show, while the Sophomores compiled 360 points in the basketball, track, football, and academic contests.

The victory banner was presented to the Freshmen by Vince Glaviano, Block Cee President, at the Welcome Freshman Dance. By their spirited efforts, the newest members of Cathedral promise to be great in the future.

Athletic Drive

From the onset of the Athletic Drive, an unprecedented achievement was in sight; spirit was high. However, the students sold out their territory early, and for a moment there was a pause. Though the percentage was not the highest in school history —80%—the amount sold **was** the greatest, each student's quota having been increased.

Some brave ones step to a special number.

Acclaimed as one of the most successful social events of the year ,the Sixth Annual Thanksgiving Ball was held in the Cathedral gymnasium on November 25th.

A beautifully decorated setting created by the Dance Committee under the capable direction of Brother Kenneth and Brother Claude added to the beauty and splendor of the occasion. Refreshments were served later in the evening by the members of the Circle Cee.

One-hundred-fifty semi-formally attired couples whirled to the rhythmic strains of Mike Perez and his orchestra.

Bids were awarded to those students who attaained a total of $30.00 or more during the Athletic Drive.

Special Moments

Events that will be remembered through the years are what make a school term special and dear. Undoubtedly the year 1955-1956 was outstanding for its variety in happenings, or especially impressive for the way things were done. None will forget the Block C initiation, Frosh Week, Queen's Pageant, Gene Norman Show, Phantoms on T.V., the Night Rally, the 30th Anniversary, and new Crucifix.

Student Council

Student Council serves as the center and source of all student body activities. Representation includes all classes and school orgaizations. The Student Body Vice-President presides over the monthly meetings. Its members report directly to the students in the assemblies. All activities, in the planning stage, are brought before the council to establish constitutionality and to clear the date to avoid later confusion. Money may also be allocated to clubs from the Student Body Fund through the council.

Among the major projects seen to completion by the council were: the Senior Bench, lighting of the Shrine, the Crucifix on the Senior Building, and the new soap dispensers in the locker rooms.

California Scholarship Federation is the top students' club. Motto of the club throughout California is 'Scholarship for Service." In keeping with this motto, the Chapter at Cathedral operates the Annual Grammar School Academic Contest and awards scholastic achievement inthe school. An innovation this year was the introduction of informal discussions at meetings on topics of academic interest. This was carried out by the members themselves, each speaking on a topic of his choice. Lectures were also asked of some of the faculty members. The purpose of this system is "to give them a conversational knowledge of scientific topics."

Annual

Staff displays satisfaction in work accomplished for first deadline, Jan. 25.

Editors eagerly review proofs of first deadline.

Yearbook Craftsmen assembling Annual material.

Each year the members of the Chimes Annual gather to record the activities, organizations, and achievements of the year; and simply enough, the result is called a Yearbook. The Yearbook is in reality a picture history. It is in the hands of six editors: Editor-in-Chief, Activities, Organizaitons, Sports, Photography, Advertising Editors. From very early in the school year, the editors met almost daily to compose a schedule, a working plan, a theme and cover. Among the first difficulties encountered were the distribution of pages, and the selection of a dedication and a theme. The theme is seen, literally, from cover to cover. The approach to each deadline was especially trying on the editors, but seeing the annual in production at the printers and cover manufacturers inspired them to improvement.

With a sense of achievement the editors sent the final pages to the publishers, and with a sense of pride they present the finished product to the students: "This is our creation for your enjoyment in the years to come."

Chimes Paper

Eight times a year the Cathedral Chimes goes to press reporting the news of Phantoms in action. Meet-deadlines, making headlines, correcting articles, on-the-spot reporting, snapping pictures, advertising, styling, typing are but a few of the major and minor details included in this activity. The Chimes has proved its worth again in winning first place for news coverage, make-up and general excellence at L.A.C.C. For two years it has achieved honors at St. Mary's College, Moraga, by winning the second-place trophy for boys' schools paper. A few of the many special features to be remembered from this year's Chimes were: "Cathedral Celebrates 30th Anniversary," "Local Pigeon Haunts Seniors," "Five Grads Receive Garb of Christian Brothers," "Cagers Stun Loyola," and "Phantoms Appear on TV."

Advertising - Circulation

Financing the Chimes Paper and Annual runs into the thousands of dollars. The very existence of the school publications depends on the ernest ambition of a handful who know when to take "Yes" and not to take "No."
Spreading the Phantom Spirit and news belongs in the last step to the Circulation Dept. Every student receives a copy of the Chimes paper and over 300 copies are circulated to various other schools throughout the state.

Mr. and Mrs. Frank Urioste
Presidents of Parents' Club

Brother Bertram, Principal, speaks to parents at Open House Night.

Parents

Behind the scenes at Cathedral High are the Parents' Clubs, organizations that improve the school-student relationship. Each group meets once a month when they make plans for coming activities or listen to instructional talks by some guest speaker. Among the outstanding activities of the year have been the Parents-Faculty picnic, the Annual Fiesta, Pot-Luck Dinner, Christmas Party, Open

House, and the Fashion Show. Special accomplishments included the painting of the cafeteria by the fathers, furnishing of the school library and counselor's office as well as the financial backing of other school necessities by both groups. Brother Edward moderated the Mother's Club, while Brother Augustine guided the Fathers.

Brother Martin and Manuel Carlos examine material for speech tournament.

Speech

Practicing daily, under the coaching of Brother Martin, the members of the Speech and Debating Club sought to develop confidence and poise in public speaking. They tested their skills in a 10 tournament schedule, highlighted by the trips to Saint Mary's College and to Fresno. Other competitions entered were the Lions' and the Optimists' Clubs contests and the Herald-Express Oratorical Contest.

Al Chelini addresses speech group. Members gain experience at daily meetings.

Members assist at weekly Mass in Brother's Chapel.

Marian Society

To unite all of the religious activities under the responsibility of one group and to spread devotion to the Blessed Mother among the students, the Marian Society was formed this year. Its duties are directed by various committees, namely: The Mission, Sanctuary, Publicity, Catechism, and Benilde Committees. Activities include weekly Mass, monthly recollection, and forums held with groups from the local girls' schools about various topics of teenage interest. To become an accepted member of the organization, 100 points must be earned in services performed. At the initiation of the new members a consecration was made to the Blessed Virgin, the movie, "Song of Bernadette," was shown, and refreshments served.

Y.C.S.

Young Christian Students: the very name of this society indicates its function. The Y.C.S. is an organization of students dedicated to Christ and inspired by His work.

Besides being a lay student apostolate, the Y.C.S. is a leadership club. Not infrequently, leaders of all organizaitons within that class (Y.C.S. groups are divided into Sophomore, Junior ,and Senior classes) are to be found in it.

Y.C.S. group attending day of recollection at St. Agnes.

Senior group discussing plans at one of weekly evening meetings.

In leadership, the key words of the Y.C.S. are "observe, judge, and act." Problems affecting the students and the school are brought up in the meetings and are discussed (as judgment). The action, or conclusion, is not carried out by the Y.C.S. itself, but in most cases passed on to the representative of that organization affected since most organizations are represented in it.

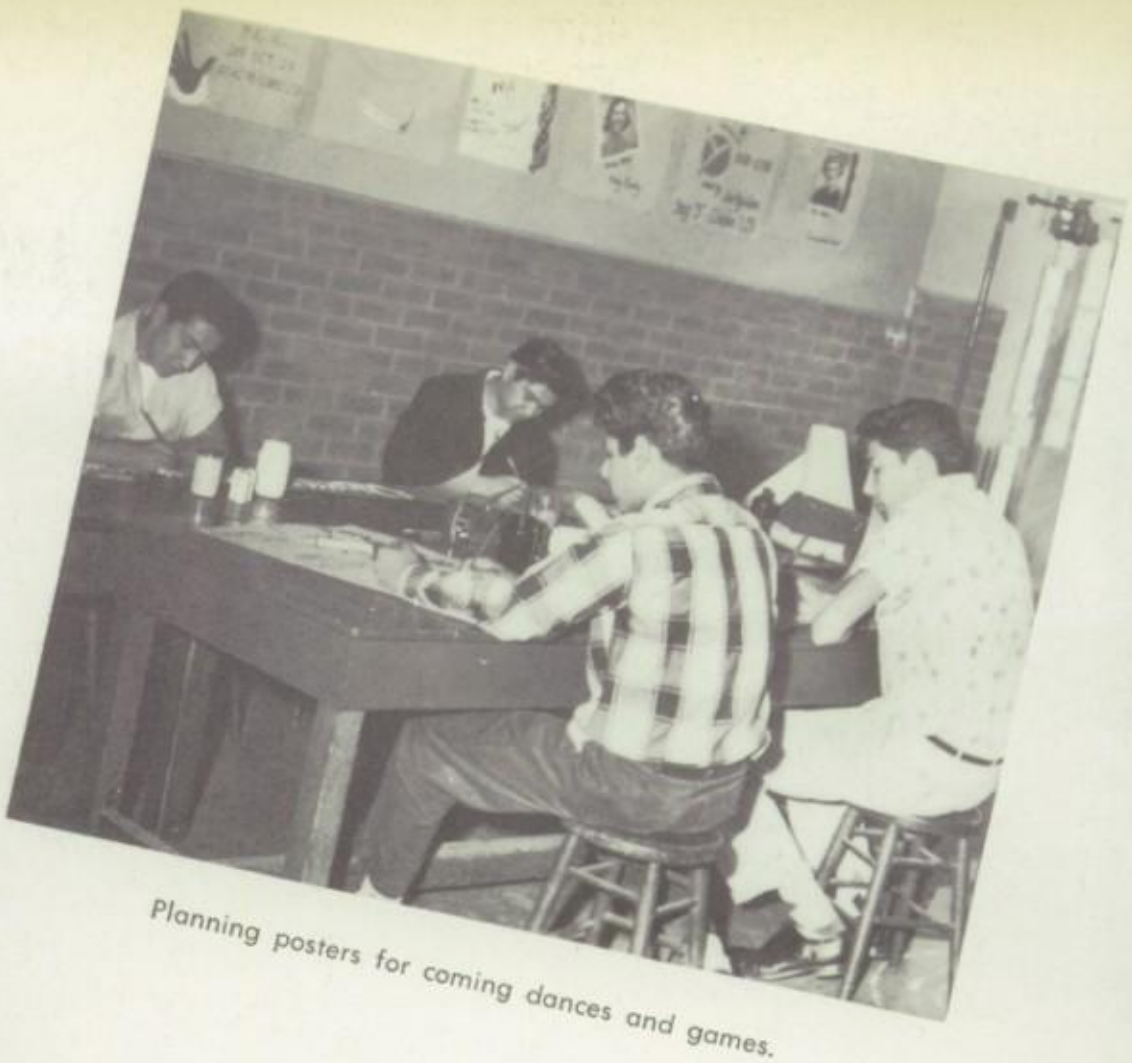
Poster Club

Some of the club's work.



Planning posters for coming dances and games.

Fulfilling the club's purpose of publicizing school activities through the use of posters, the fourteen members, under the able direction of their moderator, Brother Claude, met daily during the activity period and learned skills in creative arts and sketching. By means of their posters, they helped to notify and stir up interest in dances and games.

Block C

The Block C is a union of those athletes who have earned a varsity letter and who have exhibited leadership and spirit in the school. Biennially, members nominate candidates for new membership, and from these a select group is chosen. The voted novices are full-fledged members when they have undergone the rigorous initiation of the veterans. The initiation is topped off by a party at which the Block C emblem is awarded.

Members receive blocks for football.

J. Decker supervises one aspect of Block "C" Initiation.
